

# Only You (feat. James Corden)

[Kylie Minogue](#)

Looking from the window above it's like a story of love  
Can you hear me?  
Came back only yesterday I'm moving farther away  
Want you near me All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you Sometimes when I think of her name, when it's only a game  
And I need you  
Listen to the words that you say it's getting harder to stay  
When I see you All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you [INSTRUMENTAL BREAK] All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you This is gonna take a long time and I wonder what's mine  
Can't take no more (can't take no more)  
Wonder if you'll understand it's just the touch of your hand  
Behind a closed door All I needed was the love you gave  
All I needed for another day  
And all I ever knew (ever knew)  
Only you INSTRUMENTAL TO FADE
