

# Lovin' You More Every Day

Etta James

I'm lovin' you more, more now, lovin' you more every day, oh yes I am  
I'm lovin' you more, sho' 'nuff now, in every way now  
Oh you got me so I can't eat and I can't sleep a wink  
Everybody gonna start talkin', askin' what are you, what are you doin' to me?  
I tell 'em you're makin' me love you more, more, more, more now,  
Oh love you more every day, oh yes I do I said, I wanna love you, I wanna love you  
Oh, not only on weekends, I wanna love you every day, oh yes I do  
And not just for a boyfriend, oh, I want you to marry me and take me home to stay  
And if I get you I'm gonna have a full time job  
I'm gonna work hard all day  
'Cause when you come home, when you come home to me little boy,  
I know, I know, I know I'm gonna get my for lovin' you more, more, more, more, more  
More every day Yeah, and if I get you, if I get you I'm gonna treat you right,  
I'm gonna love you day and night  
And if you argue and if you fuss at me  
All I want to do is just squeeze you tight and keep on lovin' you  
More, more, more, more, mmm every day
