

Impossible Germany

Wilco

Impossible Germany
Unlikely Japan
Wherever you go
Wherever you land I'll say what this means to me
I'll do what I can
Impossible Germany
Unlikely Japan Fundamental problem
All need to face
This is important
But I know you're not listening
No, I know you're not listening This was still new to me
I wouldn't understand
Impossible Germany
Unlikely Japan This is what love is for
To be out of place
Gorgeous and alone
Face to face With no larger problems
That need to be erased
Nothing more important
Than to know someone's listening
Now, I know you'll be listening
