All Through the Night

The Paris Sisters

You know boy you're so busy reaching for a dream
That doesn't even exist
You can't even see someone who's standing right here
Who loves you so much
And I've tried, oh I've tried but I want you
To still know this
That all you got to do is reach out for me and I'll be there
Anytime you want me
All through the night
Lay your head on my shoulder
You can make love to my mind
And if you feel the magic don't be afraid
Quit searchin' anticipatin'
Stop reachin' for that distant star
I've been waiting boy don't pass the moment
The light's before your very eyes
All through the night
If you lay your head on my shoulder
You can make love to my mind
And if you feel the magic don't be afraid
Stop searchin'
Quit dreamin'
You're so mistaken
The perfect stranger will never call
Stop wishin' if you want let good be
Me waiting at your door
All through the night
If you lay your head on my shoulder
You can make love to my mind

And if you feel the magic don't be afraid
All through the night
Lay your head on my shoulder
You can make love to my mind
And if you feel the magic don't be afraid
Stop searchin', boy, stop searchin'
Stop searchin', yeah
Stop searchin', oh yeah
Why don't you stop it?

Quit searchin' anticipatin'
Stop reachin' for that distant star
I've been waitin' boy don't pass the moment
The lights before your very eyes
All through the night
Lay your head on my shoulder
You can make love to my mind
And if you feel the magic don't be afraid
All through the night
Feel my head on my shoulder
You can make love to my mind
And if you feel the magic don't be afraid
Stop searchin'
Stop searchin'
Stop searchin'
Stop searchin'
Stop searchin'
'Cause I'm right here
