

# Reduced to an Object

## Agathocles

Why those fucking lyrics  
Based upon pornography  
Degrading women  
To inferiority  
Do you see women  
As objects to be used  
Inferior, feeble creatures  
Your male-ego'stool  
Another fucked up value  
Sets foot in our fragile scene  
Females reduced to an object  
To please males'superiority  
Let's face it's fucking immoral  
To rob someone dignity  
The ones with a dick and balls  
are no better than those called she
