

Valentine's Day

Hem

(Bruce Springsteen)I'm driving a big lazy car rushin' up the highway in the dark
I got one hand steady on the wheel and one hand's tremblin' over my heart
It's pounding baby like it's gonna bust right on through
And it ain't gonna stop till I'm alone again with youA friend of mine became a father last night
When we spoke in his voice I could hear the light
Of the skies and the rivers the timberwolf in the pines
And that great jukebox out on Route 39
They say he travels fastest who travels alone
But tonight I miss my baby tonight I miss my homeIs it the sound of the leaves
left blown by the wayside
That's got me out here on this spooky old highway tonight
Is it the cry of the river
With the moonlight shining through
That ain't what scares me baby
What scares me is losing you
