

Stereotypical

Natasha Thomas

 said i know were in one of those
 stereotypical typa' relationships
 the kind where your comfortable
 do whatcha wanna do
 go where you wanna go
 cheat if you wanna cheat
 you feel it's acceptablei'm seeing where we went wrong
 together for too long
 feelings ain't strong enough
 to keep us holding on
 and i cried too many times, over this
 and you've lied too many times over thisthis ain't no 'stereotypical'
 this ain't no 'ordinary average'
 this ain't no 'still be friends'
 cause i never wanna see you againno whoathis ain't no 'baby i'mma miss you'
 this ain't no 'one more time kiss you'
 this ain't no 'still be friends'
 cause i never wanna see you againno whoaand I'm tryna figure out
 what kept me holdng on
 what everybody else started saying that you doing wrong
 ain't like you had the decency to let me know
 that you was out late creeping on the lowcould of done been gone
 could of done moved on
 cause i know i deserve better than some second hand love making
 so I'm gone pick myself up and be strong
 cause it ain't your typical stereotypical break up songthis ain't no 'stereotypical'
 this ain't no 'ordinary average'
 this ain't no 'still be friends'
 cause i never wanna see you againno whoathis ain't no 'baby i'mma miss you'
 this ain't no 'one more time kiss you'
 this ain't no 'still be friends'
 cause i never wanna see you againno whoasaid i don't wanna hear from you ever again
 (this ain't no stereotypical)
 said i don't wanna see your face again
 (this ain't no stereotypical)
 said you don't get to talk to my mama, don't wanna star in a drama
 i just wanna walk away
 don't even wanna know your name
 i know you hear me when i say

yeah haythis ain't no 'stereotypical'
this ain't no 'ordinary average'
this ain't no 'still be friends'
cause i never wanna see you againno whoathis ain't no 'baby i'mma miss you'
this ain't no 'one more time kiss you'
this ain't no 'still be friends'
cause i never wanna see you againno whoathis ain't no 'stereotypical'
this ain't no 'ordinary average'
this ain't no 'still be friends'
cause i never wanna see you againno whoathis ain't no 'baby i'mma miss you'
this ain't no 'one more time kiss you'
this ain't no 'still be friends'
cause i never wanna see you againno whoa
