

Don't Bring It Around

Wayne Mills Band

Well I've been a fool for far too long
I've been lost to temptation
Now I'm trying to be strong
Just when I think I've finally got it in control again
You come blowing through the door
With all your wild and crazy friends.

CHORUS

Don't bring it around no more
Lord knows I've had enough
I've been down to the bottom
And I'm tryin' to get back up
I don't care if it's free
Keep it away from
Don't bring it around no more
Don't bring it around no more

I've told everyone I know I'm cleaning up my act
Now all my friends are takin' bets, there ain't no turnin' back
Girl, you make it hard on me the way you carry on
If you don't try to give it up I'm better off alone

CHORUS

Don't bring it around no more
Lord knows I've had enough
I've been down to the bottom
And I'm tryin' to get back up
I don't care if it's free
Keep it away from
Don't bring it around no more
Don't bring it around no more

Well you drag me to a party
And you wanna stay up late
But it's hard to stay awake
When you're the only one that's straight
Your brother from Miami
Is more than I can stand
I wish that he'd just go back home

And take that contraband.

CHORUS

Don't bring it around no more
Lord knows I've had enough
I've been down to the bottom
And I'm tryin' to get back up
I don't care if it's free
Keep it away from
Don't bring it around no more
Don't bring it around no more
