Theatres des Vampires

TenebraDentro[Mater mater inferorum,]mater mater sospirorum, mater mater lacrimarum, mater mater
tenebrarumMater mater inferorum, mater mater sospirorum, mater mater lacrimarum, mater mater tenebrarumIn
the darkness I fall...
Solitude and despair
Condemned to wander every nightWhile the people sleeps
I raise from my bier and begins my life
My life of a vampireTenebra, Tenebra, Tenebra, TenebraDentro
Tenebra, Tenebra, Tenebra, TenebraDentroTenebra, Tenebra, Tenebra, TenebraDentro
Tenebra, Tenebra, Tenebra, TenebraDentroIn the darkness I live...
Misanthropic existence
Condemned to live foreverWhile the people loves
I remember my bride
But I can't cry for my despairTenebra, Tenebra, Tenebra, TenebraDentro
Tenebra, Tenebra, Tenebra, TenebraDentroTenebra, Tenebra, Tenebra, TenebraDentro
