

No Man Can Find The War

[Tim Buckley](#)

Photographs of guns and flame
Scarlet skull and distant game
Bayonet and jungle grin
Nightmares dreamed by bleeding men
Lookouts tremble on the shore
But no man can find the war
Tape recorders echo scream
Orders fly like bullet stream
Drums and cannons laugh aloud
Whistles come from ashen shroud
Leaders damn the world and roar
But no man can find the war
Is the war across the sea?
Is the war behind the sky?
Have you each and all gone blind:
Is the war inside your mind?
Humans weep at human death
All the talkers lose their breath
Movies paint a chaos tale
Singers see and poets wail
All the world kows the score
But no man can find the war
