Bethlehem's Blood

Soulfly

Chaldean, the sacrosanct
Like pagan gods burning incense
Betrayal in Gethsemane
Fallen angels of perdition
Let it be written, let it be done
And cut the flesh, unholy one
Yerushalaim Nehereset
Jerusalem is falling, fallingLet the streets flood with Bethlehem's blood
Let the streets flood with Bethlehem's bloodInflict the hate, odium of Cain
Like an abortion in the womb of pain
Baphomet or Belial
Threshold, primordial
Let it be written, let it be done
Accuser of the blackened sun
Yerushalaim Nehereset
Jerusalem is burning, burningOn my commandLet the streets flood with Bethlehem's blood
Let the streets flood with Bethlehem's bloodDie by my hand
May the blood descend again
Adonai, Jerusalem
Die by your hand
Execution in the holy land
Elohim, Jerusalem
Amen
