

Picture in a Frame

Tom Waits

The sun come up, it was blue and gold
The sun come up, it was blue and gold
The sun come up, it was blue and gold
Ever since I put your picture in a frame I come calling in my Sunday best
I come calling in my Sunday best
I come calling in my Sunday best
Ever since I put your picture in a frame I'm gonna love you
Till the wheels come off
Oh, yeah I love you baby and I always will
I love you baby and I always will
I love you baby and I always will
Ever since I put your picture in a frame I love you baby and I always will
Ever since I put your picture in a frame
Ever since I put your picture in a frame
Ever since I put your picture in a frame
