

# All In Vain

## Chumbawamba

I wish, I wish  
But it's all in vain  
But it's all in vain I wish, I wish  
But it's all in vain  
But it's all in vain I wish, I wish  
But it's all in vain  
But it's all in vain Different colors, different faces  
Different schools in different places  
Scour the morning papers, all in vain Evening after, who remembers?  
Say your prayers for the great pretenders  
I see nothing but flowers, all in vain I wish, I wish  
But it's all in vain  
But it's all in vain I wish, I wish  
But it's all in vain  
But it's all in vain All the gravestone elegies  
'I never met you' memories  
And every TV picture, all in vain All your questions, deep as skin  
Separate worlds to put them in  
Another 'might have been', all in vain I wish  
(Colorblind as tse-tse flies)  
I wish  
(Sucking all our difference dry)  
I wish  
(And as we sleep they multiply)  
I wish I wish  
(And as we sleep they multiply)  
I wish  
(All in vain)  
I wish  
(And as we sleep they multiply)  
I wish  
(All in vain) I wish  
(And as we sleep they multiply)  
I wish  
(All in vain)  
I wish  
(And as we sleep they multiply) I wish  
(Multiply)  
I wish

(I wish)  
Multiply  
(I wish)  
(I wish)Multiply  
(I wish)  
Multiply  
(I wish)  
Multiply  
(I wish)  
Multiply  
(I wish)
