Nothin' 'bout Nothin'

Beverley Mitchell

Never dreamed that I would find somebody
Who would let me be me
I been doing things my way so long
I thought I knew everything
But
[Chorus]I didn't know nothin', nothin' 'bout nothin' at all
Til I found you
Til I found you
I never knew someone could show me a love so true
Then I found you
Then I found you
I never thought cause I didn't know better
Love was in the stars for me
I was the one who was always left hanging
And that's the way it would always be
Cause
[Chorus]I didn't know nothin', nothin' 'bout nothin' at all
Til I found you
Til I found you

I never knew someone could show me a love so true
Then I found you
Then I found you
Had my laughs and tears
Had to wait my turn
Forget everything that I ever learned
Cause
[Chorus]I didn't know nothin', nothin' 'bout nothin' at all
Til I found you
Til I found you
I never knew someone could show me a love so true
Then I found you
Then I found you
Never knew someone could show me a love so true
And I found you (I found you)
I found you
Never knew nothing (Never knew nothing)
Never knew nothing (Never knew nothing)
Oh, yeah, nothing bout nothing

Til I found you
