

# Here I Go Again

[Amanda Brown](#)

I don't know where I'm going  
But, I sure know where I've been  
    Hanging on the promises  
        In songs of yesterday  
        An' I've made up my mind,  
        I ain't wasting no more time  
    But, here I go again  
        Here I go again

Tho' I keep searching for an answer,  
I never seem to find what I'm looking for  
    Oh Lord, I pray  
        You give me strength to carry on,  
        'Cos I know what it means  
    To walk along the lonely street of dreams

An' here I go again on my own  
Goin' down the only road I've ever known,  
    Like a hobo I was born to walk alone  
        An' I've made up my mind  
        I ain't wasting no more time

I'm just another heart in need of rescue,  
Waiting on love's sweet charity  
    An' I'm gonna hold on  
        For the rest of my days,  
        'Cos I know what it means  
    To walk along the lonely street of dreams

An' here I go again on my own  
Goin' down the only road I've ever known,  
    Like a hobo I was born to walk alone  
        An' I've made up my mind  
        I ain't wasting no more time

But, here I go again,  
    Here I go again,  
        Here I go again,  
        Here I go...

An' I've made up my mind,  
I ain't wasting no more time

An' here I go again on my own  
Goin' down the only road I've ever known,  
Like a hobo I was born to walk alone  
'Cos I know what it means  
To walk along the lonely street of dreams

An' here I go again on my own  
Goin' down the only road I've ever known,  
Like a hobo I was born to walk alone  
An' I've made up my mind  
I ain't wasting no more time...

But, here I go again,  
Here I go again,  
Here I go again,  
Here I go,  
Here I go again...
