Feel Safe

All We Are

I don't even like it
I don't even know which side is worse,
Just because you own it
It doesn't make you feel safe!
I don't like to call up
I don't like the way it makes you thirst
Just because you own it
It doesn't make you feel safe, feel safe!

I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again
I just wanna do it again
I just wanna do it, I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again
I just wanna do it!

Remember how we lost it,
Remember how we worked to make it hurt
Even though we own it
It doesn't make you feel safe, feel safe
I don't like the people
I don't like the way they think they're first
Just because you own it,
It doesn't make you feel safe, feel safe

I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again
I just wanna do it again
I just wanna do it, I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again

I just wanna do it, I want you!

I want you
I want youuuu
I want you
I want youuuu
I want you
I want youuuu
I want you
I want youuuu
I want you
I want youuuu
I want you
I want youuuu

I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again
I just wanna do it again
I just wanna do it, I want you,
Can't get you out of my head
I just wanna do it again
I just wanna do it again
I just wanna do it! I want you!
