

# Feel Safe

## All We Are

I don't even like it  
I don't even know which side is worse,  
Just because you own it  
It doesn't make you feel safe!  
I don't like to call up  
I don't like the way it makes you thirst  
Just because you own it  
It doesn't make you feel safe, feel safe!

I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again  
I just wanna do it again  
I just wanna do it, I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again  
I just wanna do it!

Remember how we lost it,  
Remember how we worked to make it hurt  
Even though we own it  
It doesn't make you feel safe, feel safe  
I don't like the people  
I don't like the way they think they're first  
Just because you own it,  
It doesn't make you feel safe, feel safe

I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again  
I just wanna do it again  
I just wanna do it, I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again

I just wanna do it, I want you!

I want you  
I want youuuu  
I want you  
I want youuuu

I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again  
I just wanna do it again  
I just wanna do it, I want you,  
Can't get you out of my head  
I just wanna do it again  
I just wanna do it again  
I just wanna do it! I want you!
