You (feat. Tara MacLean)

Jim Brickman

I never felt alone
I was happy on my own
And who would ever know there was something missing
I guess I didn't see the possibility
It was waiting all the time
But it never crossed my mind
Till you opened up my eyes
Now all I think about isYou in my life
In my dreams
In my heart I know it's true
That I belong with you
Because of you in my world
In my arms
I have everything and now
I can't imagine what I'd do
Without you
I never thought that love could be
Such a curiosity
But what attracted you to me
Was so unexpected
But it was waiting all the time
And it never crossed my mind
Until you opened up my eyes
Now all I think about isYou in my life
In my dreams
In my heart I know it's true
That I belong with you
Because of you in my world
In my arms
I have everything and now
I can't imagine what I'd do
Without you
You in my life
In my dreams
In my heart I know it's true
That I belong with you
Because of you in my world
In my arms
I have everything and now

I can't imagine what I'd do
Without youIn my life
In my dreams
In my heart I know it's true
That I belong with you
Because of you in my world
In my arms
I have everything and now
I can't imagine what I'd do
I can't imagine what I'd do
Without you
Without you
