

The Subterranean

Zero Hour

Its Progress Has No Limits
And Neither Do The Eyes
Of The Subterranean Cynic
The One Who Must Hide
For All This Time
He Has Chosen A War Path
He Will End Its Greed
Feeling Beings Feeling
Nothing
I Will Set Its Limit
For My Future Has No Home
The Snake Is In The Garden
I Go On Alone
I'm In Its Yesterdays I've Seen It Rise
Escaped By Thinking Twice I Live So It Must Die
I'm The Mystic I'm The One
I'm The Seasons It's The Sun
I'm The Moon You're Its Need
I Will Make It Bleed
I'm The Moon It Is The Sun
I'll Eclipse All That It's Done
I'll Bring Renewal Through Destruction
I Will Make It See
This Is A Warning Of No Compromise
The Arrogant Will Be Made Humble
The Ignorant Will Be Made Wise
