Freedumb

[unknown]

[Muir, Paul, Pleasants, Clark]Peace through politics - is a fallacy that does not existFreedom, Freedom, Freedom, Freedom
Where's your freedom? We got your freedumbGet your freedom, I got your freedom
Truth is hard sell but I know what goes over wellexceptionally
Lies and cheap and free so the profit margin worksWhere's your freedumb I got your freedomGet your freedumb we got your freedom
