Sure Know Something

Porch Paradise

I've been up and down, I've been all around
I was mystified almost terrified
But late at night I still hear you call my name
I've been on my own, I've been all alone
I was hypnotized, I felt paralyzed
But late at night I still want you just the sameI've been a gambler but I'm nobody's fool
And I sure know somethin' sure know somethin'
You showed me things they never taught me in school
And I sure know somethin' sure know somethin'
No one can make me feel the way that you do
And I sure know somethin', ahaI was seventeen, you were just a dream
I was mesmerized, I felt scared inside
You broke my heart and I still can feel the pain
I've been counted out, I've had fear and doubt
(Ooo)
I've been starry eyed, never satisfied
(Ooo)
'Cause late at night I still need you just the same
(Ooo, just the same)I've been a gambler but I'm nobody's fool
And I sure know somethin' sure know somethin'
You showed me things they never taught me in school
And I sure know somethin' sure know somethin'
No one can make me feel the way that you do
And I sure know somethin', ahaAhh ahh ahh ahh ahh ahh ahh ahh ahh ahh
I've been counted out, I've had fear and doubt
(Ooo)
I've been starry eyed, never satisfied
(Ooo)
'Cause late at night I still need you just the same yea
(Ooo just the same)I've been a gambler but I'm nobody's fool
And I sure know somethin' sure know somethin'
You showed me things they never taught me in school
And I sure know somethin' sure know somethin'
No one can make me feel the way that you do
(And I sure know somethin' sure know somethin')
No one can tell me till I hear it from you
(And I sure know somethin' sure know somethin')I've been a gambler but I'm nobody's fool
Sure know somethin' sure know somethin'
You showed me things they never taught me in school

Sure know somethin' sure know somethin'
