Ruby Tuesday

Nazareth

She would never say where she came from
And yesterday don't matter if it's gone
When the sun is bright
Or on the darkest night
No one knows, she comes and goesGoodbye Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss youNo question why she needs to be so free
She'll tell you it's the only way to be
She just can't be chained
To a life where nothing's gained
And nothing's lost at such a costGoodbye Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss youThere's no time to lose, I heard her say
Cast your dreams before they slip away
Tired all the time
Lose your dreams and you will lose your mind
Ain't life unkindGoodbye Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss youGoodbye Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss youGoodbye Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss you
