

# Rock And Roll Dreams Come Through

## Meat Loaf

You can't run away forever  
But there's nothing wrong with getting a good head start  
You want to shut out the night, you want to shut down the sun  
You want to shut away the pieces of a broken heart Think of how we'd lay down together  
We'd be listening to the radio so loud and so strong  
Every golden nugget coming like a gift through the Gods  
Someone must have blessed us when he gave us those songs I treasure your love, I never want to lose it  
Girl, you've been through the fires of hell  
And I know you've got the ashes to prove it  
I treasure your love, I want to show you how to use it  
Girl, you've been through a lot of pain in the dirt  
And I know you've got the scars to prove it Remember everything that I told you  
And I'm telling you again that it's true  
When you're alone and afraid and you're completely amazed  
To find there's nothing anybody can do There's always something magic  
There's always something new  
And when you really, really need it the most  
That's when rock and roll dreams come through The beat is yours forever  
The beat is always true  
And when you really, really need it the most  
That's when rock and roll dreams come through for you Once upon a time was a back beat  
Once upon a time all the chords came to life  
And the angels had guitars even before they had wings  
If you hold onto a chorus you can get through the night I treasure your love, I never want to lose it  
Girl, you've been through the fires of hell  
And I know you've got the ashes to prove it  
I treasure your love, I want to show you how to use it  
Girl, you've been through a lot of pain in the dirt  
And I know you've got the scars to prove it Remember everything that I told you  
And I'm telling you again that it's true  
You're never alone 'cause you can put on the phones  
And let the drummer tell your heart what to do There's always something magic  
There's always something new  
And when you really, really need it the most  
That's when rock and roll dreams come through The beat is yours forever  
The beat is always true  
And when you really, really need it the most  
That's when rock and roll dreams come through  
Oh for you yeah yeah That's when rock and roll dreams come through

That's when rock and roll dreams come through  
That's when rock and roll dreams come through

...
