Janitor

Toad the Wet Sprocket

Been two weeks now
Kitchen stinks now
Finally got the guts to saunter in and don a pair of glovesJanitor
Sleeping in a drum
Janitor I've becomeBubbles bristles
Thorns and thistles
Liquid sticks to things that never should be seen by anyoneJanitor
Sleeping in a drum
Janitor I've becomeIt amazes me how easily things go away
Chemical for every need
Someone else's problem when I leaveIs the janitor
Sleeping in a drum
Janitor you'll becomeYou'll become
You've become
