Hey L.A.

Ryan Beatty

First time I saw you I was kinda taken by surprise
You were sun kissed, so full of bliss,
You really had me mesmerized, and now it's
Something about the way you do when you knock me off my feet.
I'm lost inside of you and I don"t think I can leave.
You already had me at hello.
I said hey LA, it's really, really nice to meet ya,
if it's ok, I think I'll stay cause I just wanna have some fun.
Top down just chillin' on the west side.
Hands up yeah, ready for a good time,
Hey LA, it's really, really nice to meet ya.
Somebody pinch me now, cause it's kinda feelin' like a dream.
I got shades on my head, my feet in the sand, ain't worry 'bout a thing.
When the sun goes down and the lights come on you got me feelin' just like a star.
No matter where I go, you'll always have my heart.
You already had me at hello.
I said hey LA it's really, really nice to meet ya, if it's ok I think I'll stay cause I just wanna have some fun.
Top down just chillin' on the west side.
Hands up yeah ready for a good time.
Hey LA it's really, really nice to meet ya.
Now if you can make it here, you can make it anywhere.
And it's not always easy, but there's no place that I'd rather be.
I said hey LA it's really, really nice to meet ya,
If it's ok, I think I'll stay, cause I just wanna have some fun.
Top down just chillin' on the west side
hands up yeah ready for a good time
hey LA it's really nice to meet ya
