

Andy Gets Fired

R.E.M.

[Instrumental]TONY: Hey, how are y'all doin'? Where ya from?

Yeah yeah yeah ... Yeah yeah yeah yeah! [Audience laughs.] Whoa! Somebody's wearing a lot of perfume around here!

Must be that time of the month! [Audience groans.] Huh? Yeah, I know all the tricks. A-how ya doin'?

Ya happen to be enjoying the pasta campanara?

Appears as though ya are! Whoops, hey! Look out!

I think you sat on some cottage cheese! Oh, pardon me, that's your __! K?
