

Stays in Mexico

Toby Keith

His name was Steve, her name was Gina
(You've never been here before have you?)
They met at a bar called Cabo Wabo Cantina
He was an insurance salesman from South Dakota
She was a first grade school teacher Phoenix Arizona(No, my first time here)
They started dancing and it got real hot
Then it spilled over to the parking lot
One more tequila they we're falling in love
One more is never enoughDon't bite off more than you can chew
There's things down here the Devil himself wouldn't do
Just remember when you let it all go
What happens down in Mexico, stays in MexicoHe woke up in the morning and he made
A little telephone call
To check on his wife and his kids back
At home in Souix Falls(Hey baby everything okay?)
She hopped right in the shower with a heavy, heavy mind
(What am I doing?)
He knew it was the first time Gina
Had ever crossed that lineThey walked down to the beach and started drinking again
Jumped into the ocean for a dirty swim
One more margarita they were falling in love
One more is never enoughDon't bite off more than you can chew
There's things down here the Devil himself wouldn't do
Just remember when you let it all go
What happens down in Mexico, stays in Mexico, oh MexicoWaiting at the bar at the terminal gate
She says, "Steve I gotta go, I'm going to miss my plane"
He said, "One more tequila before you climb on up"
She said, "One more is never enough!"Don't bite off more than you can chew
There's things down here the Devil himself wouldn't do
Just remember when you let it all go
What happens down in Mexico, stays in Mexico
Stays in Mexico, stays in Mexico, stays in Mexico, oh Mexico
