Fire

Wild Orchid

If you want it,
You've got to come get it.
If you need some sugar,
come on baby come on.
I've got everything that you could ever need.
I've got the kind of love that can bring you down to your knees (right)
Sweeter than candy, Like honey to a honeybee
And I know that I want you,
and I know that you want me
It's so hot, so hot,
and what you want, is what I've got.
I'm on fire,
oh baby I'm on fire.
It's a heat wave.
And everything that I touch I blaze
I'm leaving every player in a daze.
I'm on fire.
oh baby I'm on fire.
Can you feel me coming babe
Can you feel the heat.
Like a hot summer day babe,
From one (sun)? to just my bare feet.
Can you feel my love,
coming down like rain
"cause once you get a taste baby,
It'll never be the same
"cause I know that I want you,
and I know that you want me.

So hot, so hot
and what you want is what I've got.
I'm on fire, oh baby I'm on fire.
It's a heat wave.
And everything that I touch I blaze
I'm leaving every player in a daze.
I'm on fire,
oh baby I'm on fire.
I'm burning up.
You've got me burning, (yea)

Burning for your love baby.
You've got me burning,
and I just can't get enough.
You've got me burning, (yea)
Burning for your love baby.
You've got me burning,
and I just can't get enough.
I'm burning baby for the heat
, can you feel my warm desire,
Because it's taking over me
So hot, so hot
and what you want is what I've got.
I'm on fire,
oh baby I'm on fire.
And everything that I touch I blaze
I'm leaving every player in a daze.
I'm on fire,
oh baby I'm on fire
