

Like Only Lovers Can

Tindersticks

Where do we go
What do we see now
Now our meeting place is gone
Where do we hide
Where do we cry now
That our meeting place is gone
Doesn't matter
Two of a kind
You never know what you find
When you stay too long
Searching for you
Searching for me
You never know what you see
When you stay too long
We can only hurt the way that lovers can
Can only hurt each other the way that lovers can
So where do we go
Now our meeting place is gone
Where do we hide
Where do we cry now
Now our meeting place is gone
We can only hurt the way that lovers can
Can only hurt each other the way that lovers can
So where do we go
Where do we hide now
