

# Crazy Fingers

## The Dead

Your rain falls like crazy fingers, peals of fragile thunder keeping time  
Recall the days that still are to come some sing blue  
Hang your heart on laughing willow stray  
Down to the water, deep sea of love  
Beneath the sweet calm face of the sea swift undertow  
Life may be sweeter for this, I don't know, see how it  
feels in the end  
May Lady Lullaby sing plainly for you soft, strong, sweet and true  
Cloud hands reaching from a rainbow tapping at the window, touch your hair  
So swift and bright strange figures of light float in air  
Who can stop what must arrive now? Something new is  
waiting to be born  
Dark as the night you're still by my side shine inside  
Gone are the days we stopped to decide where we should go, we just ride  
Gone are the broken eyes we saw through in dreams gone  
Both dream and lie  
Life may be sweeter for this, I don't know, feels like it might be all right  
While Lady Lullaby sings plainly through you, love still rings true  
Midnight on a carrousel ride, reaching for the gold ring down inside  
Never could reach it, just slips away but I try
