

Hold On

Twin Peaks

Walking by myself

On my way home

Put me on the shelf

Leave me at home I said I don't care much what we talk about

When you hold me real tight I don't have a doubt

I talk a lot of noise because I think too much

Don't look down it's old enough to grow

So please hold on Walking by myself

On my way home

Put me on the shelf

Leave me at home

I don't care much what we talk about

When you hold me real tight I don't have a doubt

I talk a lot of noise because I think too much

Don't look down it's old enough to grow

So please hold on
