Always Them (2005 Remastered Version)

Tankard

The hate in your eyes
As one more victim dies
The ghetto in flames
Another day of shameWill you kill them all
'cos they're not like you?
Whether someone's skin is black
Or he calls himself a jew
It he comes from a foreign land
What's all that in you?All are equal - stop the bigotry
All are equal - lace is only ideologyMisfortune mayhem
You blame it all on "them"
They're dirty and mean
You want your country clean
What does it mean "clean"?
If they're not like you
Then they don't belong
Everyone's a foreigner
Almost any place he's in
Tolerance is the better way
In friendship all win
