Song For Mia

Lizz Wright

I went down to the water, all night long
I'm putting my feet in, all night longAnd I went down to the water, all night long
And I'm putting my dreams in, all night longAnd what you think of me, I can't say
I'll take these bad dreams and I'll drove along the wayI'm at the shore now, the shadows at my back
I can feel the waves coming there, heavy and blackBut I can't turn away now 'cause I
They're singin' a song
And I, I'm in harmony
I'm singing alongAnd what you did to me I, I can't take no more
I'll take these bad dreams and I'll lay them at the shoreThe end of the ocean I'll never see
I stare out in the distance and it's looking back at me
And I'll look down to the water all night long
And I'll put my feet in, all night longAnd I'll put my dreams in, all night long
And I'll put my tears in, all night long
I went down to the water
