

# Song For Mia

[Lizz Wright](#)

I went down to the water, all night long  
I'm putting my feet in, all night long And I went down to the water, all night long  
And I'm putting my dreams in, all night long And what you think of me, I can't say  
I'll take these bad dreams and I'll drove along the way I'm at the shore now, the shadows at my back  
I can feel the waves coming there, heavy and black But I can't turn away now 'cause I  
They're singin' a song  
And I, I'm in harmony  
I'm singing along And what you did to me I, I can't take no more  
I'll take these bad dreams and I'll lay them at the shore The end of the ocean I'll never see  
I stare out in the distance and it's looking back at me  
And I'll look down to the water all night long  
And I'll put my feet in, all night long And I'll put my dreams in, all night long  
And I'll put my tears in, all night long  
I went down to the water
