Blue

Joni Mitchell

Blue, songs are like tattoos
You know I've been to sea before
Crown and anchor me or let me sail awayHey blue, there is a song for you
Ink on a pin underneath the skin
An empty space to fill inWell, theres so many sinking now
You've got to keep thinking
You can make it through these wavesAcid, booze and ass
Needles, guns and grass
Lots of laughs, lots of laughsEverybodys saying that Hells the hippest way to go
Well, I dont think so but Im gonna take a look around it though
Blue, I love youBlue, here is a shell for you
Inside youll hear a sigh, a foggy lullaby
There is your song from me
