

Black Man

Stevie Wonder

First man to die
For the flag we now hold high (crispus attucks)
Was a black man

The ground were we stand
With the flag held in our hand
Was first the redman's

Guide of a ship
On the first Columbus trip (pedro alonzo nino)
Was a brown man

The railroads for trains
Came on tracking that was laid
By the yellow man

We pledge allegiance
All our lives
To the magic colors
Red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again
It's time we learned
This world was made for all men

Heart surgery
Was first done successfully
By a black man

Friendly man who died
But helped the pilgrims to survive
Was a redman

Farm workers rights
Were lifted to new heights
By a brown man

Incandescent light

Was invented to give sight
By the white man

We pledge allegiance
All our lives
To the magic colors
Red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again
It's time we learned
This world was made for all men

Here me out

Now I know the birthday of a nation
Is a time when a country celebrates
But as your hand touches your heart
Remember we all played a part in america
To help that banner wave

First clock to be made
In america was created
By a black man

Scout who used no chart
Helped lead lewis and clark
Was a redman

Use of martial arts
In our country got its start
By a yellow man

And the leader with a pen
Signed his name to free all men
Was a white man

We pledge allegiance
All our lives
To the magic colors
Red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again

It's time we learned
This world was made for all men

God saved his world for all men

All people

All babies

All children

All colors

All races

This world's for you

And me

This world

My world

Your world

Everybody's world

This world

Their world

Our world

This world was made for all men
