

# Stranger

Katie Costello

Stranger I've known you for so long  
I found you lost with a compass in the fog  
Stranger you know me too much  
Illusionary-self had not be touched, until you

Humming Hallelujah in the dark  
Whispered poems leave you to be  
Humming Hallelujah in the night  
The sun might rise, as sometimes does it fall

Hallelujah, hallelujah

Stranger you've followed me so far  
Until the roads converged, as did the stars  
Stranger the moon looks blue tonight  
Your photo framed, raw within my mind, but not tonight

Humming Hallelujah in the dark  
Whispered poems leave you to be  
Humming Hallelujah in the night  
The sun might rise, as sometimes does it fall

Hallelujah, hallelujah, hallelujah, hallelujah

Humming Hallelujah in the dark  
Whispered poems leave you to be  
Humming Hallelujah in the night  
The sun might rise, as sometimes does it fall

Hallelujah
