Sleeping Bag

Supercar

When it's cold outside and you want to sleep in
Go for a pallet that's nice and thin
Zip it on around while it's on the ground
Spread it out and lay it on down
Slip inside my sleeping bag
Slip inside my sleeping bag
You're afraid of the dark, baby, don't be shy
We'll talk about some lovin' while we look at the sky
Don't be hesitating, it'll be alright
We'll tuck it in until it's clean out of sight
Slip inside my sleeping bag
Slip inside my sleeping bag
Let's go out to Egypt 'cause it's in the plan
Sleep beside the pharaohs, in the shifting sand
We'll look at some pyramids and check out some heads
Oh, we'll whip out our mattress 'cause there ain't no beds
Slip inside my sleeping bag
Slip inside my sleeping bag
