

"Dave's Song" (Live on Radio K)

Whitney

I know you can't help me now
And sometimes people change
I've been sick since you left town
We've gotta find a way to feel the same I know it's hard to give up when you don't want to be saved
Take me in your heart again
And I know how to keep you hung up but I won't do it again
Oh I know I wish you were my friend I want you to know I think you're right
Though there's so much I've been going through
I'm still the boy you left for nights
And I don't wanna know what I should do I know it's hard to give up when you don't want to be saved
Take me in your heart again
And I know how to keep you hung up but I won't do it again
Don't you go and leave me here my friend Who I know it's hard to give up when you don't want to be saved
Take me in your heart again
And I know how to keep you hung up but I won't do it again
Oh I know I wish you were my friend
