

Doing It Wrong

JRA

When a good thing goes bad it's not the end of the world
It's just the end of a world, that you had with one girl
And she's the reason it happened, but she's overreacting
And it's all because she don't want things to change[Chorus]

So cry if you need to, but I can't stay to watch you

That's the wrong thing to do

Touch if you need to, but I can't stay to hold you

That's the wrong thing to do

Talk if you need to, but I can't stay to hear you

That's the wrong thing to do

Cause you'll say you love me, and I'll end up lying

And say I love you tooBut I need someone different

You know it, oh ho, you know it

Oh ho, you know it, we both know it

I need someone different

You know it, oh ho, you know it

Oh ho, you know it, we both know it

Something's been missing

You know it, oh ho, she knows it

Oh ho, I know it, we all know it

I need someone different (oh ho, oh ho)We live in a generation of, not being in love, and not being together

But we sure make it feel like we're together

Cause we're scared to see each other with somebody else[Chorus]But I need someone different

You know it, oh ho, you know it

Oh ho, you know it, we both know it

I need someone different

You know it, oh ho, you know it

Oh ho, you know it, we both know it

Something's been missing

You know it, oh ho, she knows it

Oh ho, I know it, we all know it

I need someone different (Oh ho, oh ho)
