

# I Want You to Know

## Smash Into Pieces

I'm waking up to a broken world  
I'm not alone, but I'm on my own  
It's not the same, It's different now

I want you to know  
You're in my heart forever  
Kills me that I never  
Said goodbye  
And I want you to know  
Without you I let go  
I want you to know  
I am missing you oh  
My god, everything  
I want to say to you  
I want you to know  
I want you to know  
My tears won't fall  
I can not feel at all  
I still believe  
This is one sad dream  
Just like a game  
It's over now  
Oh why did you go  
I'll always think about you  
Know it was not meant to  
end this way  
And I want you to know  
Without you I let go  
I want you to know  
I am missing you oh  
My god everything  
I want to say to you  
I want you to know  
You make me fly high above  
And come crashing down again  
I knew you'd break my fall  
It will never feel the same  
I want you to know  
And I want you to know  
Without you I let go

I want you to know  
I am missing you oh  
My god everything  
I want to say to you  
I want you to know  
I want you to know
