

Why

Crematory

Abandoned, without a word
Trust, broken without hope
Accused, seen as a loser
Punished, the heart broken I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light Demolish, every thing once built
Shattered, the escape from the unknown
Wounded, affected till eternity
Lost, what you once possessed I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light Without reason - Tell me why ? Without
words-
Tell me why ?
Without desire - Tell me why ? Without
sorrow-
Tell me why ? Raped , by your own time
Pensive , loneliness remains
Expecting the inner sense
Fading , your voice dies away
I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light Without reason - Tell me why ? Without
words-
Tell me why ?
Without desire - Tell me why ? Without
sorrow-
Tell me why ? Tell me Why ? Tell me Why ? Endearing, the way you caressed me -
Blazing, an
endless sea of light Without reason - Tell me why ? Without
words-
Tell me why ?
Without desire - Tell me why ? Without
sorrow-
Tell me why ?
