Maybe I

Texas

You were right, you came over me
What'd never been before, you slid under my door
And now I find
A reason to admit I've been too lazy
But in this light, in this atmosphere
I'm starting to believe the other side of me
But who's to know?
Honey, surely one of us is crazy
Maybe I, I'm not so easily stung
Maybe I, I got some love for someone
Maybe I, I'm not the story for you
Maybe I, I'll be the do you ought to do
So now I stand, I never stood before
What's better left unsaid is done, buried and dead
And you're alive
Girl, I think you might just stay the night
Maybe I, I'm not so easily stung
Maybe I, I got some love for someone
Maybe I, I'll write a story for you
Maybe I, I'll be the do you ought to do
I'm not trying to take it easy
And I'm not trying to help you see
I'm not trying to take us over, babe
I'm just trying to believe
Maybe I
Maybe I
Maybe I
Maybe I
Maybe I, I'm not so easily stung
But maybe I, I got some love for someone
Maybe I, I'm not the story for you
Maybe I'll be the do you ought to do
Maybe I, I'm not the one for your love
Maybe I, I'll be your heaven up above
Maybe I, I'll write a story for two
Maybe I, I'll be the do that you do
