

# Firedance

## Celtic

Yeah, once again I start to wonder  
Sailing thoughts on endless sea  
Might be you I see reflected from afar  
Could be just my fantasy All my love and emotion  
Life is nothing without you  
Like a drop finds the ocean  
I'm gonna find my way to you Low thunder rollin'  
Take me away, away  
There's something callin'  
Askin' me to play Firedance, it's a firedance  
Firedance, just a firedance  
Oh yeah I'm the wind against the mountains  
I'm the fire deep inside  
I feel the magic, the rhythm is my soul  
I no longer have to hide Join me now, come on over  
There's a place right here for you  
Seize the moment and discover  
All the things you always knew Low thunder rollin'  
Take me away, away  
There's something callin'  
Askin' me to play Oh, firedance, it's a firedance  
Oh, firedance, just a firedance  
Oh yeah, just a firedance 'Cause it's a firedance, it's a firedance  
Oh, firedance, just a firedance  
Firedance, it's a firedance  
Firedance, just a firedance  
Oh yeah, oh, it's a firedance
