

Love Come Down

Masspike Miles

Seduction is here.
And our time is near ooh
I feel it deep down inside, my love for you
And I cant get enough I need more of you
All The time like my, song it rymths
Sucha shame Body frame off the chain.
Wanna Pull on your hair a lil
Kiss on your kneck a lil
No need for hesitation
Tonight is your invitation
Take a journey with me
Ill set your body free
Take your love away
Baby I jus wanna make your love come down (4 Times)
Practise makes perfect ooooo yah
And if you, Its worth it.
So let me teach you a lesson
Theres no need for questions
Cant seem to shake these visions of you
Cause your bodys a blessing
Ohh Babe I feel like a fool
Cause Im so intoooo Youuuuuu!
Wanna Pull on your hair a lil
Kiss on your kneck a lil
No need for hesitation
Tonight is your invitation
Take a journey with me
Ill set your body free
Take your love away
Baby I jus wanna make your love come down (4 Times)
You Run away, dont run away
Call me your name, callin your name
Dont run away, dont run away
Call me your name , callin your name
Dont run away, dont run away
Call me your name, callin your name
Dont run away, dont run away
Call me your name, callin your name.
Baby I jus wanna make your love come down (8 TimeS)
