Hard To Get

Akua Allrich

I
I skill unknown
But you appear in all i see
And even when, the birds, they sing
The melody sings your sweet name
Since you my mind goes round and round and round the world
But ends up right back here
Caught up in the images of you and me in love
How insaneâ€”
I never thought Iâ€™d fall so hard in love, in love with you
But I still gotta play hard to get

II
When you glance my way
The butterflies flutter inside
To hide my weak(ness) for your smile
When I (start) to roll my eyes.
But still my mind cannot escape the rhapsody of your energy
Alone for the moment that you walk into the room
How insaneâ€”
I never thought Iâ€™d fall so hard in love with you
But I still gotta play hard to get

III

I skill unknown
Try to think of something new
The gathering(???) is in the wind
I swear i see, your face, again
My mind goes round and round and round the world
But end up right back here,
Caught up in the images of you and me in love
How insaneâ€”
Didnâ€™t know Iâ€™d fall so hard in loveâ€¦with you
But I still gotta play hard to get
