Leave My Heart Out Of This

Fifth Harmony

(Camila)
My heart is telling me that you were gonna change, but no.
My heart is lying right to my face, yeah.

(Ally)
My heart is making up excuses for your ways, but I wish that.
My heart knew when I should walk away, baby.

(Dinah)
Lets go down, you raise me as I get back up off the ground your telling me that this is love but I found it wasn't really on my side.
Now I think it's time.

(All)
I tell my heart to just but out, keep it's opinion to it's self I should just listen to my head cause its the one who knows whats best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this

(Normani)
Im done feeling like a shadow to myself
So I know
I've got to put all my feelings on a shelf, yeah.

(Lauren)
Lets go down, you raise me as I get back up off the ground your telling me that this is love but I found it wasn't really on my side.
Now I think it's time.

(All)
I tell my heart to just but out, keep it's opinion to it's self I should just listen to my head cause its the one who knows whats best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this

(Dinah)
Sometimes I wish you'd just shut up and let me think I've had enough I need to just make up my mind
So that's why.

(All)
I tell my heart to just but out, keep it's opinion to it's self I should just listen to my head cause its the one who knows whats best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this

(Dinah)
