

# Senor Santa Claus

[Jim Reeves](#)

Dear, Senor Santa Claus I think I tell you what  
I would like for Christmas and I hope you won't forgot  
I only want a peso that I can have for mine  
To get my Senorita something for Christmas time I don't believe you read the card last Christmas, that I sent  
You come to see the kids across the street and then you went  
Dear Senor Santa Claus I think me understand  
Sometimes the toys all gone before you reach the Rio Grande Dear Senor Santa Claus I tell you what I think  
I no got a stockin' I set out my piggy bank  
So please bring me peso that I can have for mine  
To get my Senorita something for Christmas time On Christmas eve I watch for you and I no sleep a wink  
If I no get Lolita something she feel sad I think  
So please Senor Santa Claus this Christmas be so grand  
If I get peso to buy ring for my Lolita's hand I don't know what I buy for her I think I buy a rose  
So she can wear it in her hair most everywhere she goes  
Please Senor Santa Claus this Christmas be so grand  
If I get peso to buy ring for my Lolita's hand  
If I get peso to buy ring for my Lolita's hand
