

I Hate Myself for Loving You

Joan Jett & The Blackhearts

Midnight gettin uptight, where are you?
You said youd meet me, now its quarter to two
I know Im hangin but Im still wantin youHey Jack, its a fact theyre talkin in town
I turn my back and youre messin around
Im not really jealous dont like lookin like a clownI think of you every night and day
You took my heart
Then you took my pride awayI hate myself for loving you
Cant break free from the the things that you do
I wanna walk but I run back to you, thats why
I hate myself for loving youDaylight, spent the night without you
But Ive been dreamin bout the lovin you do
I wont be as angry bout the hell you put me throughHey man, bet you can treat me right
You just dont know what you was missin last night
I wanna see your face and say forget it just from spiteI think of you every night and day
You took my heart
Then you took my pride awayI hate myself for loving you
Cant break free from the the things that you do
I wanna walk but I run back to you, thats why
I hate myself for loving youI hate myself for loving you
Cant break free from the the things that you do
I wanna walk but I run back to you, thats why
I hate myself for loving youI hate myself for loving you
I hate myself for loving you
I hate myself for loving you
I hate myself
I hate myself for loving you
