Up In Flames

Nicki Minaj

[Chorus] We are going uuuup in flames. One more night
for us to burn brighter. We are going uuuup in flames; one
last time for us to go higher. We are going uuuup in
flames; one more night for us to burn brighter. We are going
uuuup in flames; one last time for us to go higher(goingup)
[Nicki Minaj - Verse 1]
Anyway lil nigga don't test the kid. Even Maury Povich
couldn't test the kid.
Even R-Kelly couldn't touch
the kid and even with all you
barbz you couldn't text the kid.

I got a pool that I never even swam in
air ports that you bitches never land in

I'm violated your asses like Chris Stooks
I'm a sandro payed on a big boat
on my way to make a billie like a big goat.
Pull my dick out case you bitches get a slick throat.
[Hook]

We are going uuuup in flames; one more night for us
to burn brighter. We are going uuuup in flames; one last time
for us to go higher. We are going uuuup in flames; one more
night for us to go higher. We are going uuuup in flames; one
last time for us to go higher.
[Nicki Minaj- Verse 2]

Wa- Wa - Wa - Wa want another round well then get the reff'
Got the clothing line poppin' then the wigs is next.
When I fly you know G-5 is the jet.

Meetings with the president of every network, that is

what the fuck I call how to network. My net work,

That bullshit that you talk I live it
and I'm callin' the travel if you don't stay on your
pivot..bitches

We are going uuuup in flames; one more night for us
to burn better. We are going uuuup in flames; one last time
for us to go higher. We are going uuuup in flames; one more
